Spirit of JA Breakfast

Join Junior Achievement of Greater Boston as we showcase the incredible students, volunteers, and partners who make our work possible. This inaugural event will celebrate JA's impact in the community and our 75-year legacy of developing financial literacy, entrepreneurship, and workforce readiness in local students.

The day's highlight is our "Spirit of JA" awards ceremony, which will see us recognize our Student of the Year, Volunteer of the Year, and Partner of the Year. Please be aware that this is a fundraising event and guests will be asked to make a contribution during the program.
